lisa.lanning@quintewest.ca

## RFID

Radio  
Frequency  
Identification

The library has activated a  
security system

Besides the RFID gates beeping  
and flashing when an item is not  
checked out, the only difference  
will be improved library service!

- Faster checkouts = shorter wait times
- Easier check-ins = items get back on the shelves faster
- A more secure collection = more items available for you

*If you have any questions  
please just ask us!*

The library is CLOSED July 1st. for Canada Day!
