

Appendix 2
Quinte West Public Library
Juvenile Membership Form

Dear Parent or Guardian,

To facilitate your child's membership at the Quinte West Public Library, this permission form has been prepared for your review and signature. In order for the library to issue a membership card to any child age 12 and under, this form must be completed and returned to library staff.

Please be aware that the Quinte West Public Library Board's approved Circulation Policy permits children access to all material formats in our system. If you wish to restrict your child's access to library materials, you should make your position known to your child and/or accompany them to the library to supervise their selections. The library cannot withhold circulating material from any user regardless of age, or deny them access to the Internet.

By signing this form you are assuming full responsibility for the choice, use and return of all materials borrowed and for charges on items that are overdue, lost or damaged on your child's card.

Parents of children under the age of 16 are entitled to access their child's circulation record upon request, to assist in the management of library materials.

Finally, parents/guardians are responsible for ensuring that their child will obey the rules and regulations of the Quinte West Public Library.

I agree to all of the above:

Child's Name

Age

Date

Address

Telephone Number

Parent's email address (optional)

Parent's Name

Parent's Signature
